# I Spy Easter

Did you manage to find all the things? Can you match the symbol to the bible reading?

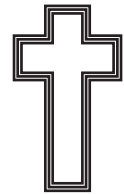

Matthew 26:33-34

Mark 15:24a

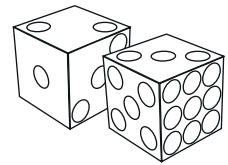

Matthew 27:59-60

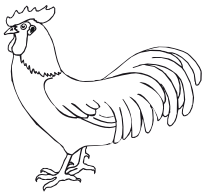

Matthew 21:8

Matthew 28:6

Matthew 26:39

Matthew 26:26

Mark 15:24b

John 19:2

Matthew 26:14-15

*\*You may notice Mark 15:24 has either an (a) or a (b) next to it, what does it mean?  
It is just a simple way to split a verse into two parts, some bibles will have this in for you - if you get stuck do ask an adult*
