Denmead Art Exhibition

It was a wonderful weekend, and we had very positive feedback from visitors and artists alike, complimenting us on the fabulous art work display and on the organisation of the event itself. We couldn't host such an event without all the great team of volunteers, and it was lovely to have so many people giving up their time to support it.

It looks like we had a record number of visitors come to this year's exhibition and everyone played their part in welcoming people and guiding them round the art exhibition. We sold around 60 paintings and raised over £1600 to be used in support of the church's work in the community. The exhibition has become a traditional fixture in the church calendar, a very popular event. Next year we will be celebrating our 50th exhibition so look out for details on how you can be involved.

Thank you to everyone who contributed to this year's success.

Return: The Minor Prophets

We're currently in the middle of a sermon series on the minor prophets. Below we've listed the minor prophet we'll be looking at each week, along with a broad theme. It would be useful to read the book in preparation for each Sunday. (In the Sunday service we will only use a selection from each book – not the whole thing!) Each minor prophet is short in length and will only take 5-20 mins to read. We've included the page numbers as found in the Bible we use in church.

06th October Harvest Celebration

13th October Haggai: Renew the Vision (pgs. 892-893)

20th October Zechariah: Grace and Forgiveness (pgs. 894-902)

27th October Malachi: A Better Day is Coming! (pgs. 903-905)

We are also publishing our sermon notes each week, so you can read through them if you wish – and of course feel free to come back with further questions.
