Dear Friends,

I hope that you were able to enjoy some of last month's events celebrating the Platinum Jubilee of our Queen. In particular, it was lovely to see so many people of all ages in the village centre on Saturday 4 June for the Jubilee Party. Happily, the weather was fine and we were able to relax and to enjoy refreshments, listening to music, playing games, making crowns, visiting displays about local clubs and organizations, and generally mingling with the crowd, catching up on news with friends or simply chatting to anyone nearby. There were happy faces all around and a great deal of joyful activity.

I was interested to read a copy of the specially produced Royal Silver Jubilee edition of the Denmead Chronicle published in 1977. The community spirit evident during those Jubilee celebrations, which included a carnival procession through the village to the King George playing field, was clearly very strong. The July 1977 edition of the Chronicle reported: "Herein Denmead everyone seems to have got the Jubilee spirit, and to have enjoyed it. ... This sense of togetherness bred by the Jubilee is a priceless asset in our community life." Whilst I suspect that many of the special edition Silver Jubilee mugs, presented to the children of the village, haven't survived the last 45 years, it appears that Denmead's sense of togetherness has.

People who enjoyed last month's Platinum Jubilee event have also echoed the report of Her Majesty's Golden Jubilee which appeared in the Parish Chronicle in July 2002: "In Denmead there was a great feeling of unity and patriotism – and best of all, people had FUN". Following more than two years of anxiety and hardship during the Covid-19 pandemic and against a current global backdrop of natural disasters, human conflict, suffering, uncertainty and challenge, this has been a welcome opportunity to recapture that sense of togetherness and fun. I'm sure that Her Majesty would have been delighted had she been able to be in Denmead to see this for herself, for she cares very deeply for all of us whom she serves.

... a welcome opportunity to recapture that sense of togetherness and fun

The Archbishop of York, The Most Reverend and Right Honourable

Stephen Cottrell, believes that the Queen's Christianity is the lens through which she views the world; a faith in Christ that informs and sustains her values of duty, service, honour and sacrifice which we so rightly commend; a discipleship that, gently but truly and generously, makes the love of Christ and the care of God known. Delivering the sermon in St Paul's Cathedral during a service to mark and to celebrate the Queen's Jubilee, the Archbishop concluded: 'What I see in Her Majesty the Queen is someone who has been able to serve our nation faithfully because of her faith in Jesus Christ.'

...we share in his victory, joy and hope

For faith in Christ can heal and restore us when our labours, challenges, mistakes, misfortunes, sufferings and doubts have taken their toll and can strengthen and equip us to face whatever the future brings, helping us to care, not only for ourselves but also for other people and for all of God's creation wherever there is need. And this faith brings us the assurance that, whoever and wherever we are, we are loved, that our lives have purpose and that,

through the death and rising again to life of Christ, we share in his victory, joy and hope and need fear nothing, not even death.

I have remarked on the sense of community felt in Denmead during the Jubilee weekend and Christians also feel a sense of community within the Church, community which is called to nurture, to grow and to sustain faith. A community which is not meant to be separate from the wider community but which is called to be distinctively different within the wider community; not only welcoming people into the church but also going out of the church to live according to Christ's teaching and values, inviting others to see in us what faith in Christ looks like in everyday situations and thus offering them the opportunity to 'come and meet Christ' for themselves, wherever they are.

Hopefully, this summer, we shall all be blessed with more occasions on which to celebrate as communities, small or large, as families, friends, clubs, groups or neighbourhoods, and to help each other to enjoy again the powerful and affirming sense of togetherness and fun.

With love in Christ,

Peter Mitchell, Lay Minister (Reader).

Girl Guides Celebrate their Chief Ranger

company, while the ingredients for the wedding cake came from Australian Guides.

At our jubilee celebration, with the World Association of Girl Guides and Girl Scouts flying alongside our Union Jack and St George's flags, the day kicked off with some fun crafts; biscuits were decorated to look like the Queen, and stones were painted with flowers and Union Jacks. Afterwards, the girls made paper windmills and red, white and blue party streamers.

After a picnic lunch, it was time for some games. Flopsy, Mopsy and Cotton-Tail was followed by some running and obstacle races, with the girls cheering each other on at the tops of their voices. Next was a mission to get their teddies to the finish line using only two poles before they grappled with a cargo net.

We finished with some campfire songs - including 'Princess Pat', a firm favourite

On Sunday 29 May, the Girlguiding units in Denmeadall had a fantastic day celebrating the Platinum Jubilee at the Scout Hut. It was the first time since the pandemic that all sections had come together, from Rainbows to Rangers, with a fantastic turnout of fifty 5 - 18 year olds.

Girlguiding has always held a special place in Queen Elizabeth's heart. She was a Guide herself in 1937 with the specially created 1st Buckingham Palace Guide Company and, along with her sister, Princess Margaret, she kept guiding and helping with the war effort throughout World War II. In 1946, she went on to become Chief Ranger of the British Empire. At her wedding, two of her bridesmaids were from her Guide

among the Guides - before closing with the traditional 'Go Well and Safely' and 'Brownie Bells'.

Huge thanks must go to those who organised the day, and the amazing volunteers from every unit who helped out. The girls all had a wonderful day and left beaming.

If you have a daughter who loves to have fun (and earn a few badges along the way), head to www.girlguiding.org.uk/information-for-parents/register-your-daughter. We love to see new faces in Rainbows (age 5-7), Brownies (age 7-10), Guides (age 10-14) and Rangers (age 14-18). Any adults wishing to volunteer are always welcome too, to help with our units and carry on the good work in the community.

Coronation Memories at the Jubilee

Staff and residents at the Denmead Grange care home put their heads together and came up with a plan for their celebrations that were fit for a Queen. Over the bank holiday weekend the home held a garden party with live entertainment, a Jubilee-themed quiz and a singalong to wartime classics. One of our residents Dave even got up and sang for us. The whole home came together to celebrate our longest reigning monarch and reminisce about what she means to each and everyone of us.

Excitement has been running high at Denmead Grange where residents and staff have been busy making Jubilee-themed decorations and baking up a storm of red, white and blue cakes and pastries with the help of Chef Jackson and the kitchen team in preparation for the Jubilee.

Abbie Johnston, General Manager at Denmead Grange, said: "We've all had such a brilliant time celebrating the Platinum Jubilee, it has been such fun. Our staff and residents love the Queen and so they were all so

excited to take part. It has been a real collaborative process - thinking about how we wanted to celebrate, planning our activities, decorating the home and creating all the party food. It was so lovely to be able to invite our friends and family to come and join us for a proper celebration too."

Mavis, resident at Denmead Grange, said: "The Queen is an amazing lady, everyone wanted to get involved in the celebrations. It is remarkable to think she has been on the throne for 70 years, such an achievement! I can just about remember the Coronation, I was very small but I remember the street party we had then and this was just as much fun. We all wanted to pay our respects and say thank you for all that the Queen has done for this country."

The varied life enrichment programme keeps residents active, and provides a daily choice of engaging physical, mental and spiritual activities tailored to residents' interests and abilities. Denmead Grange provides dementia care, residential care, and respite care.

Hello to all residents of Denmead and Hambledon. Do you have a little time every month and could put just a little back into the community? Here is your chance.

Denmead Voluntary Care Group aims to support those who have no access to their own transport, to travel to hospital or other medical appointments, to go shopping at local supermarkets, or simply to go out for a while in the local area.

Firstly it arranges with private motorists, in their own vehicles, to take people to hospital appointments. A small group of coordinators arrange support in conjunction with the Denmead Health Centre in finding a volunteer for particular appointments.

Secondly, it operates a 16-seater minibus, organising trips to local supermarkets, transport for the monthly Afternoon Social Club and the weekly Lunch Club, or simply outings to local towns and sites of interest.

There is always something you can help with. The pandemic has adversely affected the organisation and those involved, as it has every group and demographic. We therefore have vacancies on the committee, slots for private

and minibus drivers, as well as helpers for the Lunch Club. Thus, if you could spare a little time, no more often than once a month, then you could provide much needed, and greatly appreciated support to your local community.

A call to Richard on 077 4975 5275 could explain how your small input could have a great effect!

Bowled Over

Denmead Bowling Club's Men's and Ladies' League teams have started the season well with the Men's team winning all their games and coming top of the Portsmouth and District Division3, whilst the Ladies having won 4 out of 5 games and are second in the Portsmouth and District Women's B league. We also have an internal triples league called the Birdie League (each team is named after a bird) which is to enable new bowlers to mix with experienced bowlers to learn and gain experience. It is well supported and enjoyed by all.

Denmead Bowling Club holds club competitions throughout the summer to suit all levels of experience culminating in our Club Finals weekend at the end of the season played over two days with a presentation and BBQ after.

We held a successful second taster day in May with local people coming along to try our sport and have increased our membership. If taster days are not convenient though then taster sessions can be arranged with our coaches by contacting Mike Wright mj.wright16@btinternet.com.

Further details including contact and membership can be found on our website: www.denmeadbowlingclub.co.uk

Horticultural Society and Biodiversity of Portsdown Hill

Our June talk by Countryside Officer Richard Jones was about the Wildlife of Portsdown Hill. Its poor chalk soils combined with grazing ensure a great botanical diversity which in turn attracts many insects. We heard about the history of the hill and how various changes, from the building of the forts to shifts in agriculture, have affected the species found there. Richard took us through the seasons with lovely pictures of the flowers and insects to be seen at different times of year. We also heard about some of the problems such as runaway cars, motorbikes and litter and how the Friends of Portsdown Hill and the Conservation Volunteers meet regularly to help with a wide range of tasks such as fencing, scrub clearance, mowing and litter picking.

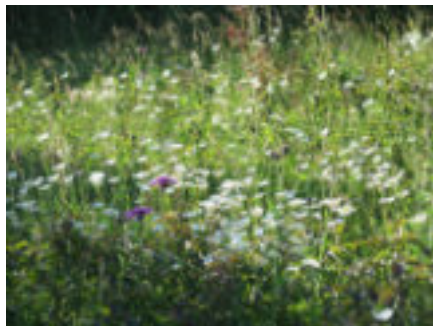

The following week Richard led us on a walk across the hill and we enjoyed the view as well as the masses of wildflowers. We saw common species such as oxeye daisies, wild thyme and birdsfoot trefoil, also pyramidal and common spotted orchids and the strange parasitic knapweed broomrape, which was just beginning to flower. We also spotted marbled white butterflies which are emerging two weeks earlier than they used to, grasshoppers and a great green bush cricket. It was a lovely evening for a walk and opened our eyes to the wonderful variety of flowers and insects in this area.

Our speaker on 5th July is Katherine Lee and she will give us an Introduction to Garden Design. She says that 'good quality garden design can meaningfully improve the quality of your life and add value to your property'. Pick up some tips on improving your garden and see some of the lovely gardens she has designed - 7.30pm in the Church Hall, visitors welcome to attend for £2.

Our Summer Village Show is on Sat 20th August - schedules now available in Parkers and on our website.

Denmead Afternoon W.I. - an international community

In June we welcomed our speaker Sue Essex, who gave a most enlightening talk on her time as an Indian Housemother. In 2005 Sue spent nine months working for Pestalotzi World, a UK-based charity which offers life-changing opportunities to young people from underprivileged communities around the world. The house catered for 24 children from India, Nepal and Tibet; they were all very bright but from families too poor for them to continue senior education. The house was situated in Derhudun, in the foothills of the Himalayas, about 300km from Delhi. After her return to England Sue regularly visited India again on several occasions to attend graduations, weddings and to meet babies of her former pupils. All the pupils have been successful and many are working in high profile jobs; a testament to the charity and to Sue's contribution to it.

The competition for an item with an Indian connection was won by Elaine Lewis with Pam Pilbeam coming second and the flower competition was won by Rosemary Simpson with Joan Downing coming second.

At the meeting we enjoyed delicious Jubilee cupcakes made by Louisa who we first met in May and we were also pleased to welcome Margaret this month, a visitor from British Columbia in Canada. Margaret is visiting family members in England and we sent our

good wishes to her home WI - it's a great feeling to be part of such an international community!

This month we look forward to another visit from Ruth Warrento to talk about her "Childhood in Wales", about her upbringing in a village in the Valleys, and are anticipating another lively and humorous afternoon. The competition is for an item with a Welsh connection.

Joan Downing

We invite all ladies to our meetings held on the first Wednesday of the month from 2 - 4pm in the Memorial Hall. In September we are changing our venue to the Heath Room at All Saints Church. We have monthly talks, with a relevant competition, on a wide range of subjects so there is something to suit all tastes and interests. The WI gives ladies the opportunity to hear talks on a variety of subjects. If you have recently retired or moved to the village the WI is the ideal way to make new friends or renew old friendships. We sit informally around small tables and introduce you to other members so you will not feel alone and the tea break gives members and visitors a chance to socialise over tea and cake.

You are welcome to come as a visitor to "try us out" or if a particular subject is of interest to you. If you are unable to attend an afternoon meeting the Evening Institute would welcome you to their meetings at 7.30pm on the third Wednesday.

Lesley Rose, Advice Services Manager for Citizens Advice Winchester District gives advice on what to do when you're looking to employ someone to make repairs to your home.

Q I've got loads of problems with my house that I've been putting off fixing - a faulty boiler, a window that won't shut properly, broken light fittings. The list goes on! I want to sort it out but I've had bad experiences with dodgy builders in the past. How do I find someone I can trust?

A Making home improvements can be stressful, but there are a few steps you can follow to help it go smoothly. First, find a Trading Standards 'approved trader'. You can look for one in your area online or use the Government's approved trader scheme TrustMark.

It's also worth checking if they're a current member of a trade body. Trade bodies have codes of practice and can help resolve problems if things go wrong. Ask who they're registered with and then check the trade body's website.

For any gas and electric fixes, only use certified traders - it's dangerous to use someone who doesn't know what they're doing. You can check the Gas Safe Register for a list of traders and use a registered electrician who can certify their own work.

It's always helpful to get references or recommendations where possible. Ask your friends, family or neighbours if they know of anyone they'd recommend. You can also ask the person you hire for examples of work they've carried out in the past.

Try to avoid contractors who won't give references - it's a sign they could be dishonest. When you find someone, ask for a written quote - this is different to an estimate. A quote is legally binding and the tradesperson can't change it without a good reason - for example, if you ask for extra work to be done. It's worth comparing quotes from several contractors to make sure you're getting a fair price.

Next, get a written contract. This should cover exactly what you're paying for and everything you've agreed on, including timings, payments, who will pay for materials and any subcontractors if needed. When it comes to payment, it's best to opt to pay in stages rather than upfront. Try to pay by card if you can - this can give you extra safeguards if something goes wrong.

Finally, make sure your trader is fully insured. Keep

copies of receipts and your written contract. These will be important as evidence if things go wrong. It's also helpful to take photos of any problems if they arise. If you have a problem with a contractor and you're not sure what to do, call the national Citizens Advice consumer helpline 0808 223 1133 or if you'd like to talk to a local adviser at Citizens Advice Winchester District, call 0808 278 7861.

Walks From Denmead

Kidmore Lane Car Park, Denmead

This is one of our favourite walks from Denmead which takes in footpaths and bridleways; there are also wonderful views from several places especially from the top of Sawyers Hill.

WALK DETAILS

Distance 7 km (4.4 miles)

Duration 1h 55m

Walk Grade MODERATE (3/5)

Leaving the car park turn R and head up Kidmore Lane as far as Tanners Lane and here also go R. The latter eventually runs into White Horse Lane where you bear L starting to walk uphill. On reaching Little Denmead Farm just after Bleak Cottage, look for a fingerpost on the right-hand side which takes you on a well-marked footpath across a field that leads toward a house on the far side.

0.8 mile / 1.3 km Emerging at Crossways junction turn L. After walking around the house bear L again and continue for about 100m along Mayswell Lane before branching off slightly right on a footpath marked by a fingerpost.

1.1 miles / 1.8 km This footpath takes you to a deeply pitted bridleway on reaching which you go R. Continue uphill to the highest point on Sawyers Hill where wonderful views can be seen through the trees and bushes on the L toward Pithill.

1.6 miles / 2.6 km At the bottom of the bridleway is Fiveways Junction situated on Harrowgate Lane. Cross the lane and head uphill slightly to the L toward a wooded area. Paths are available to the R or L of the narrow strip of woodland and soon you will come to the wide Pitt Hill Lane track which runs at a right angle to your direction.

1.87 miles / 3 km Here go L then almost immediately R along another bridleway which forms part of the Monarch's Way FP. Staying on this route with woodland to the R the path soon goes downhill before rising toward Veniss Copse where you go through this narrow strip of woodland; continue along the bridleway with woodland to the L – while passing the wood an ancient marl pit is visible on the LHS.

Around the Green

2.3miles/3.75km At the top of the rise where the woodland phases out turn L onto a wide farm track and continue

as far as the lane that runs between Rushmere and Pithill. After going through the gate at the end of the track turn R then L a short distance further along. Pass through a gap in the hedge then remain on the footpath adjacent to the horse paddock on your R.

2.6miles/4.15km Heading in a straight line toward another stretch of woodland continue pass the trees after which the path begins to go downhill; if it is clear day, you may enjoy spectacular views toward Portsdown Hill, the Solent and Isle of Wight. At the bottom of the field, you come to Wayfarers Walk which runs at a right angle to your current direction; here go L and follow the path keeping

the hedge on the R until coming to a gap. Turn R through this gap and stay on the path as far as the metal gate on Harrowgate Lane.

3.25miles/5.2km At this point go R, walk the short distance to the end of the lane, bear L and after 20m pick up the footpath accessed through another gate on the R. Stay on this path for some distance, pass through a further gate and eventually you come to the end of the path you must firstly turn L, go around a barrier, then R on a narrow, enclosed path that runs alongside the burial ground.

Go L at the next junction in front of a high hedge and continue on Cemetery Lane passing the burial ground on the LHS. Soon you come to Kidmore Lane when you go R and the car park is a short distance along the lane on the LHS

View from the bridleway on Sawyers Hill toward Harrowgate Lane and Pithill

International musicians head for West Meon

This year's West Meon Music festival, from Thursday 8th to Sunday 11th September, will have an impressive line-up of guest musicians joining the renowned Primrose Piano Quartet, which founded the annual event in 2011.

Highlights include guitar legend John Mills, a student of the great Segovia, who will be joined by the Primrose's cellist, Andrew Fuller, for a programme of Spanish and Latin American music for cello and guitar. Not to be missed will be a recital by Bulgarian pianist Emanuil Ivanov, who has attracted international acclaim since winning the 2019 Ferruccio Busoni Piano Competition in Italy, at the tender age of 19. His programme will include Beethoven's wonderful Moonlight Sonata, as well as glitteringly virtuosos works by Skryabin, Liszt, Busoni and Chopin.

For those with a preference for the baroque there will be a duo recital by Huw Daniel, leader of the Orchestra of the Age of Enlightenment, and harpsichordist Christopher Bucknall.

Hampshire County Council Update

New Stubbington Bypass

After 28 months of construction work, HCC has completed the 5.5km (3.5m) bypass around Stubbington. This new £42 million road forms part of a package of transport infrastructure projects to improve access for those living and working in Fareham and Gosport, to which the Solent LEP has already contributed over £20 million. More information about the Stubbington Bypass scheme can be found online at <https://www.hants.gov.uk/transport/transport-schemes/stubbington-bypass>

Free Hampshire Bus Pass travel for Ukrainian refugees

Free bus pass travel within the wider Hampshire area will be available for Ukrainian refugees arriving in the County as part of the Government's Homes for Ukraine scheme over the summer. The Local Authority is in the process of finalising arrangements with the County's three major bus operators - Stagecoach, First Bus and Bluestar - with the scheme due to launch shortly.

Support for Ukrainian refugees in Hampshire

The County Council is inviting grant applications from community and

voluntary organisations to help fund projects to enable Ukrainian refugees to settle in Hampshire. Communities can apply for grants of up to £5,000 for projects that will help Ukrainian arrivals to access the support they need. Applications for grant funding can be made by Parish and Town Councils, or any constituted community organisation.

More information is available on HCC's website <https://www.hants.gov.uk/community/grants/grants-list/leaders-community-grants> or by contacting cbsgrants@hants.gov.uk To find out more information about the County Council's support for Ukrainian refugees visit <https://www.hants.gov.uk/ukraine>

New Leader and Chairman for HCC

Following the decision by Cllr Mans to stand down as Leader of HCC, Councillor Rob Humby has recently been elected as his successor. At the same full Council meeting, Councillor Marge Harvey was elected as Chairman of the Council and I was elected as Vice Chairman.

Celebrating 30 years of friendship with Saint Georges

Two years after originally planned our friends from Denmead's twinned town of Saint Georges finally visited, having been delayed by coronavirus. We were delighted to welcome them after such a long time and we were keen to celebrate 30 years since our twinning relationship began.

On one day we took a group to Arundel Castle for a guided tour and a chance to look around the attractive gardens and the historic keep dating from 1068; and in the evening we had an excellent meal and entertainment for everyone at Waterlooville Golf Club. Another full day with families visiting different places followed, with several going to London, Brighton and various attractions around Hampshire.

All too soon it was time to send them off and several of us went from Denmead to wave them off from the Round Tower in Old Portsmouth – and they did likewise from the top deck!!

Our next event will be for members only (a BBQ and swim) with perfect weather guaranteed! It's worth becoming a member of Denmead twinning – to take part in going to France and to meet new friends from Denmead at our social events. You don't need to speak French and all ages are welcome!

After summer we shall be holding a quiz with a fish and chip supper for everyone; how about forming a team of 6 and coming along for an enjoyable and interesting evening out. The date is 1 October at All Saints Church Hall, more details to follow.

If you would like to come to any future events or to Saint Georges in May 2023, then please get in touch with Patrick Binks, 07771823 806.

Waterlooville Probus Club

At our regular lunchtime meeting, a sit down lunch is followed by a talk from a guest Speaker.

Anyone retired or semi-retired from business or professional life will be most welcome to join us. Information about Probus and the subjects covered by our guest Speakers is shown on our website at – probusclub.net/waterlooville

The next meeting will be on TUESDAY 12th JULY at the Hampshire Hog, Clanfield, starting at 12.00 noon. The talk is entitled Parents at War by David Bickerton.

We welcome new members, so contact our Secretary Peter Quine at piater89@aol.com for further information or telephone Patricia Stallard on 02392 251484.
