**So here we go again... September!**

This month is a month of new beginnings, or fresh starts, as life settles back into a pattern and routine. The holidays, trips out, and the lazy days of summer are over. Children and young people return to school (and colleges) in new uniforms and smart shoes. The days are drawing in, and suddenly there's a chill in the air as Autumn approaches.

After two years of reduced or hindered activity it is wonderful to see the return of some much loved community events. Firstly, it is a great joy to welcome back Messy Church on the third Saturday of each month. Messy Church is a wonderful way for families to explore the Christian faith, discover Bible stories and worship together, through messy activities, prayer, stories, songs and much, much more! It is ideal for families with children aged 3-11. Our first session launches on Saturday 17th Sept at 3.30pm in our church hall.

It is also brilliant to see the return of the Denmead Art Exhibition for its forty-seventh year! This year, the exhibition is scheduled for the 24th and 25th of September. This is a great community event exhibiting local artists' work. The exhibition also includes a café, providing opportunity to sit and chat with others whilst enjoying the amazing work on display.

Then, secondly, the PCC at All Saints are delighted to announce the appointment of a new Parish Administrator, Terry Davies. Terry will be joining the ministry team, supporting our ministry and mission, and managing the day-to-day administrative operations of the church, and church hall, in close co-operation with me, and other officers in the church. Terry brings a wealth of experience, skills and knowledge as he begins this role on the 1st September. This means the Parish Office will be open again

on a Mon, Tue, Thu and Fri 9-2pm. Please do call in, and welcome Terry to this role.

Also the PCC is very pleased to share that Lewis Jones has agreed to extend his role as our Youth and Families Community Leader for another two years - hurray. From September, Lewis will now be working 25 hours each week. This will allow him to build and develop work with our young people, Messy Church, Little Stars, Jesus Light Up Denmead, and links with schools and local uniformed groups, plus other opportunities as they emerge.

And finally, but by no means least, we are excited to be starting 'The Prayer Course' produced by the 24-7 prayer network. This course explores the Lord's Prayer over eight sessions, creating opportunities to share, talk, listen and learn

together and to grow deeper in our faith and relationship with God. These sessions will be each Sunday at 6-8pm in church.

You are welcome to sign up for the whole course now by completing a registration card (available in the carousel in church) and returning to the Parish Office or leaving for me in my pigeon-hole. Or if you'd prefer, why not come to the first session and give it a try. Then if you want, you can sign up for the rest of the course.

So, lots of new beginnings this Autumn... Can I encourage you, as you get back to life as normal, whatever that may be, however young or old you are, keep looking to Jesus Christ, keep learning from him, and ask God each day to fill you afresh with his Spirit that you might be open to learn and grow. And remember, you are always welcome to join with us at All Saints as together we learn to be God's disciples.

With every blessing in Christ Jesus,

Emma

Revd Emma Racklyeft, Vicar at All Saints, Denmead.

After these services we gather for refreshments in our church hall.

This service will be live streamed to our Facebook page, and then, later in the day, added to our website.

Morning Prayer is said each weekday at 8.30-9.00am in chapel – everyone is welcome.

Returning on Monday 4th Sept. and following thereafter on every Monday, Wednesday, and Friday we also live stream this service to our Facebook page, and later in the day, add to our website.

Private Prayer - The Church building is open from 8.30am to dusk each day for private prayer.

If you wish to light a candle and pray there is a candle stand in the Chapel.

## DABS Celebration

Saturday 16th July saw nearly 70 DABS helpers come together to celebrate DABS and all that it achieved in its 39 years. Many others could not be there, because of other commitments or illness, but they were with us in spirit. Some former helpers have moved from Denmead, but travelled from Scotland, Cheshire and Somerset to join us.

On arrival, people were invited to take a DABS badge, to wear one last time and to keep as a memento. There were displays of photographs, newspaper cuttings, past crafts, group badges, DABS clothing and old DABS theme books to peruse. A Memory Tree with names of DABS helpers, who have passed away, was placed in the Hall.

Following a tasty buffet, there was time for people to catch-up and have a chat or try their hand at a DABS craft. Tricia Bailey, who had been involved in organising the first DABS, cut one of the four celebration cakes, each depicting a different aspect of DABS. Hannah Cottam did an excellent job in decorating the cakes, which had been baked by her dad, Simon.

At three o'clock, we all gathered in church for the Celebrations service, during which, three members of the DABS Committee gave their reflections on DABS, the impact it had on their lives and their hopes for the future Christian outreach to the children of the village. We all enjoyed singing some favourite DABS songs and joining in with the actions.

At the end of the service people were given a commemorative booklet, which included old photographs of DABS, memories, fun facts, along with a list of themes from each year and a list of DABS songs. The event concluded with the very welcome arrival of an ice cream van and free ice creams for all attendees. After months of planning the event was at a close tidying up was done and we all bade a sad farewell to DABS.

### A tough but happy childhood Denmead Afternoon WI

In July we were once again pleased to welcome Ruth Warren to our monthly meeting. Ruth gave us an entertaining insight into her childhood in a Welsh village. She learned to play the organ from the age of eight and was soon playing for the church services as the regular organist was barred because he took coachloads of people to Barry Island on a Sunday!!

Her father suffered lung disease due to working in the coal mine and he became a househusband – probably one of the first! Although life was hard in the Welsh valleys during the 1940 and 50s the children enjoyed a happy childhood exploring the surrounding area and gathering whinberries (the Welsh name for blueberries) from the local mountains. The family left Wales and moved to Gosport due to her father's ill health.

The competition for an item with a Welsh connection was won by Rosemary Simpson with Joan Downing second. The flower competition was won by Rosemary Simpson with Pauline Symons second.

There was no meeting in August due to the holiday period but we have continued our monthly lunch dates at Barnards.

Due to our small membership we will be changing the venue for our meetings to

the Heath Room at All Saints Church from this month. The time will still be from 2pm to 4pm.

The September and October meetings will be on the second Wednesday. On 14th September our speaker will be John Richards talking about "Civilian Life in Guernsey During The German Occupation" and the competition is for A War Related Item.

Some members are visiting Buckingham Palace for the Queen's Platinum Jubilee Exhibition.

We invite all ladies to our meetings held on the first Wednesday of the month (unless otherwise stated) from 2 to 4pm

The WI gives ladies the opportunity to hear talks on a variety of subjects. If you have recently retired or moved to the village the WI is the ideal way to make new friends or renew old friendships. We are a friendly group and socialise over tea and cake.

Future talks include "Help for Heroes" and "Tales of a Roving Reporter". You are welcome to come as a visitor to "try us out" if a particular subject is of interest to you.

If you are unable to attend an afternoon meeting the Evening Institute would welcome you to their meetings at 7.30pm on the third Wednesday (except December when they meet on the second Wednesday.)

## A Special Village Association Meeting

Did you know that Special Constables were introduced in Anglo Saxon times to keep the peace?

Local lad and Special Superintendent, Russell Morrison, gave an astonishing account of his role within Hampshire Constabulary. His presentation to the DVA was an enlightening experience for us all as he provided examples of the involvement of Specials in major events, along with some of the history such as Charles II in 1673 ensuring that any citizen could be sworn in as a temporary constable, should there be threats of disorder.

The role was extremely important during times of crisis including the World Wars, the Police strikes of 1918 and 1919, the General Strike in 1926 and the 2012 Olympics. Officers have also been on duty throughout Covid, enforcing and supporting as required.

The murder of Glenn Goodman by the IRA in 1992 is a significant point in the history of the role as it showed that special constables were undertaking more frontline positions and facing the same threats alongside their regular police colleagues.

## Special Constables are part of the 'police family'

Russell provided images of the different uniforms including the 'Woolly Jumpers' and handed around his kit for members to investigate, including his heavy body armour. He discussed the difference in badges, uniforms and ranks over the years and the fact that he has three different uniforms depending on the situation. His radio is a vital bit of kit as it is linked to the control room – if the panic button is hit they will hear what is happening and he can also send texts, images and converse with other officers. Body-worn video is essential in protecting both the officer and public and can be downloaded for evidence. Notebooks are being phased out in favour of electronic devices as irrefutable evidence.

Attitudes have changed and now Special Constables are part of the 'police family' whereas in the past they had been regarded as only attending fetes and the like and were accused of 'stealing overtime' by some regular officers.

Specials have to undergo a year's training, an exam and swear an oath before a magistrate before being enrolled. This is followed by another year on the street,

supported by tutors. Training is on-going to cover Personal Safety, Emergency First Aid and fitness. A commitment of 16 hours a month is required with no salary but expenses can be claimed.

Special Constables can be assigned to support the regular police, taking on shifts such as Response and Patrol, prevention of anti-social behaviour as well as working with community groups. Some have been trained as community first responders and carry first aid kits while other teams can be deployed as search parties or to support CID or cyber security, particularly if that may be part of their own employment and expertise.

Russell discussed the use of taser guns and truncheons and how the police are trained to hit large muscle groups but never on the head. No Special carries a gun, these are for specially trained officers only.

Russell's role, as a senior officer, includes frontline support, strategic involvement and decision making, the welfare of his Specials, discipline, line management, dealing with policy and procedures, recruitment and more. Russell also described how he is an Ambassador of the College of Policing and a White Ribbon Ambassador to end men's violence against women.

Russell previously worked in the aerospace industry with the Red Arrows and space satellites. He now teaches Computer Science in Fareham. Russell described how he was always very passionate about his local community, so did youth and voluntary work. At a crossroads in his career about 18 years ago, he became a Special Constable to see if a career in the police force was for him. Specials come from all walks of life including teachers, taxi drivers and stay-at-home mums. Their motivation takes many forms; some wish to give back to the community or try out the role prior to joining the regular police force, others see it as a challenge dealing with confrontation or just learning how to negotiate complex situations.

Locally Special Constables are involved in speeding issues around Denmead, fly-tipping and the Christmas drink/driving initiative. There are currently around 230 Specials in Hampshire, all of whom do a great job in supporting front line officers. With Russell at the helm and his dedication to his team and Hampshire, we are very fortunate to have such great support!

## Denmead Walks

This quite long walk is to the east of Denmead starting at the Harvest Home, passing through Creech Woods before heading to Sheepwash. After joining Wayfarers Walk for a little way the route then goes through woodland before crossing Newlands Lane when it begins the second leg as it picks up the Berewood Trail. There follows a section along Closewood Road and through the golf links before the final stretch on the village greenways back to the pub.

### WALK DETAILS

**Length 10km (6.25 miles)**

**DuraDon 2h 30m**

**Walk Grade EASY (2/5)**

**SDles 1**

This walk can start at a number of points, but directions are from the Harvest Home pub. Go R from the pub CP, cross the roundabout and head up Bunkers Hill going left at the 40mph sign into Creech Woods.

Head uphill along this track and bear L on reaching the road that leads to the CP, but turn L a short distance further on not continuing through the CP. After about 30m go R passing between two posts flanking the Creech Woods Walking Trail.

Continue for some distance until the track bends to the R - this leads to a junction where paths cross. Here return L and continue along this straight path for 400m. Take either the bridleway or FP to exit the woods.

1.7km/1.1 miles On reaching Furzeley Road go R, then after about 100m go R again heading in the direction of Sheepwash. Stay on this road for about 600m, pass Belney Lane at Threeways junction and continue for about the same distance as far as Sheepwash Farm.

3.1km/1.9 miles Cross the short bridge after the farmhouse and go R passing through a gate onto Wayfarers Walk. After 300m go L, crossing a stile while following the green WW sign. About 100m further on go around a metal gate and head diagonally R across a field on a well-defined and signposted FP. At the next gate follow the path that goes R about 20m further on before continuing on the LH side of woodland.

3.9km/2.4 miles Another gate soon appears and after passing through it again follow the WW sign this time to the L. Stay on this track through the woodland for about 300m then turn L at the crossroads along a wide track following the yellow FP sign. After about 200m the track goes downhill, crosses a short bridge just after which another gate provides an exit from the

woodland following a short uphill climb.

4.47km/2.8 miles Turn L at this point and stay on the path which runs at the bottom of three successive fields. The FP in the third field initially goes uphill then starts heading downward when two gates soon appear on the L. Pass through each before going R and walking the very short distance to Newlands Lane.

5km/3.3 miles This is a very busy and potentially dangerous corner so listen for

traffic before crossing the road then pick up the FP opposite. After about 10m turn L onto the Berewood Trail and stay on this track for some distance.

6.55km/4.1 miles Cross the first of two bridges and carry straight on until the trail starts to go uphill.

7.28km/4.5 miles Look for a large flat-roofed building on the RHS and when nearly level with the latter go L onto a partially concealed FP - look for a yellow FP marker on the LHS. Note, there is a FP opposite with logs cut into seats that leads toward the estate. The footpath to take is just over 150m long and leads to Closewood Road, which on reaching go L and walk along the road for about 500m until a green Wayfarers sign is seen on the R. Go along

this path then head diagonally R across the field on a well-defined path as far as the edge of the golf course.

Again, this is a potentially dangerous area as one could get hit by a golf ball, so it is essential to be vigilant and observant when crossing the course in three stages. Firstly, head for the bridge, then across to the next section which is slightly to the R then head for the brown fencing on the edge of the woodland.

On entering the woods go L at the fence and continue along the narrow FP with the paddock on the RHS. After passing the brick-built stables, also on the RHS, the path opens onto a wide driveway that leads to Furzeley Road.

8.5km/ 5.3 miles Go R at this point and walk as far as the junction with Forest Road. Cross the road and go along the pedestrian pathway turning L after about 100m into Mead End Greenway. It is then a matter of continuing along the greenways passing through Forest Mead and Home Mead before coming to Creech View. Staying on the greenway the path eventually passes the wetland area adjacent to the small playing field/common. Here go L around the common on the path and on reaching the houses go R and the pub will be straight ahead.

## Denmead Horticultural Society

At the time of writing, we are in the final stages of preparing for the Village Show and although longing for rain for our gardens we would like it a bit cooler and dry for the show. It looks as though we will have to reconsider what we grow in the future and how we manage our gardens, perhaps more classes for cacti & succulents and dried flowers in the show!

Once the show is over, we are soon back to evening meetings – our talk on Tuesday 6th September by Tim Woodland is on Autumn Bulbs. Tim has run his family business DirectBulbs for over twenty years so has lots of experience to pass on. He will talk about the bulbs to plant in Autumn for Spring colour and will bring a selection of bulbs for sale. All are welcome to join us, 7.30pm in the Church Hall.

Looking ahead we have our Pumpkin and Apple Show on 25th October and our Craft Fair on 12th November so plenty to keep us busy.

## Bowling Club Remembers Founders

In July Denmead Bowling Club held a memorial/fun day to remember and celebrate our founder members sadly no longer with us. It was a great day of fun bowling followed by the unveiling of a bench in memory of Maurie Hibberd and a defibrillator in memory of Keith May donated by their respective families. These were just two of our many founder members remembered on this special day.

On the bowls front both Denmead's Ladies' and Men's teams won their respective leagues - congratulations to both!

This season is still ongoing with events such as a quiz night and another fun day BBQ and with the season finishing with our club competition finals weekend on 17th & 18th September. Later this month we start short mat bowls in the clubhouse for the winter season.

Although we hold taster days, if they are not convenient taster sessions can be arranged with our coaches by contacting Mike Wright [mj.wright16@btinternet.com](mailto:mj.wright16@btinternet.com) who will have further details.

Further information including contact and membership details can be found on our website: [www.denmeadbowlingclub.co.uk](http://www.denmeadbowlingclub.co.uk)

## Hampshire County Council

### 20mph Speed Limit Consultation

Hampshire County Council are consulting on the introduction of 20mph speed limits. There has been a vocal campaign over the last year to introduce a blanket 20mph limit in all built up and residential areas. There is certainly an argument to do so in many of our local villages and in the residential areas of our

towns. However, the challenge in doing so would be enforcement. The police struggle to provide enforcement of the speed limits we have in place now, so there would be an enormous challenge to ensure 20mph limits were adhered to. What do you think? Tell us what you think by taking part in our survey, which will help shape future policy across Hampshire. Read more about it, and fill in the survey online here: <https://www.hants.gov.uk/.../20mph-speed-limits-consultation>. It shouldn't take any more than about 15 minutes to complete and it will be open until 12th September 2022. We want to hear from as many people as possible.

### Green Flag Awards for all of Hampshire County Council's Country Parks

Well done to all the teams and volunteers at all five of our Country Parks for each securing a coveted Green Flag – this rates them amongst the best in the world! Lepe Country Park, Royal Victoria Country Park, Queen Elizabeth Country Park, River Hamble Country Park and Staunton Country Park have all once again gained the accolade in recognition of their excellent facilities and high quality maintenance.

Staunton Country Park and Royal Victoria Country Park have also once again scooped Green Heritage Accreditation for taking top care of these sites' unique historic features. Hampshire's Country Parks have been upgraded in recent years with fantastic new facilities including a recently opened pizza restaurant at Royal Victoria, The Lookout at Lepe and The Barn Café at River Hamble (pictured).

## Scouts Make Horrible History

For the first week of the school holidays twenty cubs from 1st Denmead Scout Group enjoyed a Horrible Histories camp near Grayshott.

They explored Aztec designs, got tattoos, built a shelter, wrapped up some mummies, moved a sarcophagus and searched for jewels in canopic jars with the Egyptians, hiked 10km (managing at least 1/2km before they wanted to stop for lunch!) and found their way blindfolded through a Greek labyrinth, cooked risotto on an open fire with the Vikings, built bridges and made flying objects recreating some of Leonardoda Vinci's inventions, had a go at archery, learnt a Morris Dance (involving hitting sticks with your partner, so obviously much enjoyed by the Cubs!), visited a fortune teller, played games at our medieval fayre and took part in a knights' jousting tournament. In the evenings, with still some energy to spare, the Cubs played team games around the camp fire.

There were four sleeping tents for the Cubs and they had to keep their sleeping bags and clothes tidy, collect wood for the fire, help the cooks prepare food, collect water, keep the camp tidy and empty the toilets which the cubs either found disgusting or hilariously funny!

A patrol of five Denmead scouts also camped in the field joining us for some meals and activities, while they also enjoyed their own day hike, went to Go Ape, made jewellery, had a cooking competition and learnt how to use a knife and saw safely.

The weather was kind with hardly any rain and only a couple of days that were really hot, but there was

## Around the Green

plenty of shade to keep us out of the sun.

During the Jousting Tournament, Our Group Scout Leader, Tracy Ramsey presented Mike Allsop-Smith & Michael Jordan with their leadership training certificates and Keith Davis, who has taken a step back from the weekly meetings after many decades as a leader in the Scout Association, was presented with a watch from the whole Scout Group.

The Cubs, Scouts and Leaders had a great time and are eagerly anticipating next year's Summer Camp.

Anyone interested in volunteering in any way or wishes their child to join the group should contact Tracy Ramsey on [gsl@denmeadscouts.com](mailto:gsl@denmeadscouts.com)

We hope to see you all at our biggest fundraising event of the year, the Dinosaur Derby on Sunday 11th September.

## Waterlooville Probus Club

At our regular lunchtime meeting, a sit down lunch is followed by a talk from a guest Speaker.

Anyone retired or semi-retired from business or professional life will be most welcome to join us. Information about Probus and the subjects covered by our guest Speakers is shown on our website at – [probusclub.net/waterlooville](http://probusclub.net/waterlooville)

Next meeting will be on TUESDAY 13th SEPTEMBER at the Hampshire Hog, Clanfield, starting at 12.00 noon. The talk by Kelly Hancock is about the Commonwealth War Graves Commission, why it was established and the principles laid down on how the casualties of war were to be commemorated.

We welcome new members, so contact our Secretary Peter Quine at [piater89@aol.com](mailto:piater89@aol.com) for further information or telephone Patricia Stallard on 02392 251484. Please note, meals must be booked one week in advance, so do make contact with the Probus Club in plenty of time to avoid disappointment. Cost £19 for a two-course lunch, followed by tea/coffee. Bar available.

## Everything's Coming Up Roses at the Evening WI

Our recent speaker, Gillian Taylor, has a passion for roses and grows over 200 in her garden. She brought along many examples to the meeting while she explained the different types, their care and even tips on how to cope with the dreaded black spot! She also recommended gardens to visit with excellent displays. Several members expressed an interest so future visits will be planned.

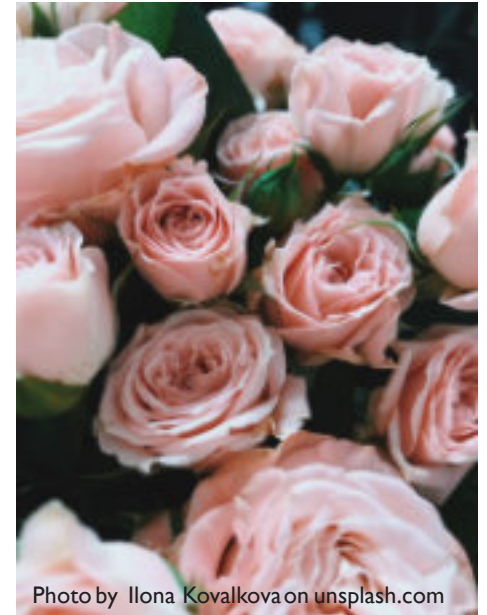

Photo by Ilona Kovalkova on unsplash.com

The Craft Group tried Zentangle (drawings composed of patterns or tangles), it was very relaxing and not much chatter was heard as everyone concentrated on their designs.

The Garden Group visited a member's garden and, after a tour, sat and enjoyed the view as well as the peace and quiet whilst sampling scones with delicious homemade red gooseberry jam. Very WI!

Our meeting this month will be our 57th Birthday. The speaker will be Rob Driscoll with a talk entitled It's a Balloon World After All! Do come and join the celebration and share some birthday cake with us.

The WI is the largest voluntary women's organisation in the UK. It offers all kinds of opportunities from learning new skills, joining campaigns or catching up with or making new friends.

We meet on the third Wednesday of each month in Denmead Memorial Hall at 7.30pm.

Please contact us at [denmeadevepres@hampshirewi.org.uk](mailto:denmeadevepres@hampshirewi.org.uk) for more information.
