Dear Friends,

Easter is fast approaching! I wonder if you noticed, but this year, as soon as Boxing Day closed all the local supermarkets had Easter eggs, chocolate treats and bunnies in stock! The commercial bandwagon was trundling forward persuading everyone that the only way to celebrate something is to spend vast amounts of money joining an everincreasing secular trend, which very few can actually afford.

As Christians, however, what we celebrate at Easter is far beyond monetary value and our celebrations take on a variety of emotions as we travel though Lent, Palm Sunday, Maundy Thursday, Good Friday and finally that glorious Easter day. However hard we try to understand the Easter story it's almost beyond our comprehension that Jesus, God the Son, should sacrifice himself to such a cruel death on the cross of Calvary so that we can come forgiven into the presence of God.

As we come before the cross on Good Friday with hindsight we know the resurrection is only three days away. Jesus' disciples, however, didn't have that insight to the future; at the crucifixion their world fell apart. For them Jesus was dead and all hope for the future was gone. Just imagine Mary's delight when she realized that the gardener she was talking to was actually the risen Lord Jesus. And the joy of the disciples when Jesus appeared to them over the next 40 days. They suddenly had a new perspective on life; from deep despair they now had hope. The promises Jesus had given them during his earthly ministry were now unfolding and their excitement was plain to see, although until Pentecost the fruits of that excitement would be tempered with their human limitations.

Easter is a special time to reflect on the love of God for His people but what is even more wonderful is that his love is personalized, his love is for you and that is something to really get excited about. After Jesus was crucified his

disciples felt lost, without a purpose in life and so many people nowadays feel like that as well. Only through the resurrection power of Jesus did the disciples find hope for the future and that same resurrection power is available to us today. There are so many people who are living in fear and oppression without experiencing the love of another human being. Jesus brings hope into lives full of despair, he renews damaged relationships and he heals broken hearts and he usually does it through the love and obedience of people like you and me. Please remember this Easter those who are in desperate need of the love of Jesus. Please pray that they will find his love and compassion in what ever situation they are in and that as we pray, God will reveal to us how we can help those who are suffering and in need.

For the first time this year, All Saints we will be offering six interactive, all-age displays and reflections that will guide us through the Easter story during Holy Week and over the Easter weekend (14th-21st April). The church will be open 10am-4pm each day, plus three evening sessions. Please do come along and take some time to walk through the Easter story in a new and creative way. (For more information see advert on page 5.)

We will also offer our traditional Holy Week and Easter services – all these can be found listed on page 4. All are welcome to come and worship as we declare:

**Alleluia – Christ is risen. He is risen indeed – Alleluia!**

Wishing you every joy and blessing this Eastertide,

Emma

## Denmead Afternoon Women's Institute

We were pleased to welcome Philip MacDougall to our March meeting to talk about life in the Royal Dockyards. This was of local interest to many members who had members of their families working in Portsmouth Dockyard over many years. Portsmouth was one of 8 dockyards stretching from South Wales to Scotland. Portsmouth was established by Henry 7th in its present site because it is a safe harbour – not easy to enter because of the sandbanks. The majority of the wood came from Russia and Norway and was stored in the Mast Pond to keep it from drying out. When a new ship was built it had to remain in dry dock for 6 months to allow its timbers to dry out. The first iron-clad ship, The Dreadnaught was built in 1906. With no need for drying out the ships could be built much quicker..

The competition will be for a Book or Leaflet about Portsmouth was won by Rosemary Simpson with Joan Elliott second. The monthly flower competition was won by Angela MacNee with Rosemary Simpson second.

This month's meeting on Wednesday 2nd April will include a talk by David Bickerton on "The Pursuit and Sinking of the Bismark". The competition will be for a piece of Wartime Memorabilia.

We are continuing to have support for our £1 Sales Table which will help with the running costs of the Institute.

We invite all ladies to our meetings held on the first Wednesday of the month ( unless otherwise stated) from 2pm to 4pm. Visitors are most welcome especially if a particular subject is of interest to you.

We usually meet in the Heath Room at All Saints Church which is central to the village and car parking is easy.

We are an informal group and you would be most welcome to visit us. If you are new to the village or recently retired and would like to make new friends the WI welcomes you.

Our talks cover a variety of subjects – some serious and others amusing – so all tastes are catered for.

If you are unable to attend an afternoon meeting the Evening Institute would welcome you to their meetings at 7.30pm on the third Wednesday (except December when they meet on the second Wednesday.)

## Denmead Walks

This is an ideal walk to undertake in April which starts at Denmead Community Centre before heading through Harts Copse where are usually bluebells are in bloom at this time of year. It picks up a section of the Denmead Millennium Trail and continues through lanes that border the village finally passing Rookwood Cottage before heading back to the start, however the last section can be extended along Uplands Road that leads to Upper Crabbick Lane and the Fox & Hounds pub for any thirsty walkers!

Leaving the main entrance of the community centre turn L onto School Lane before heading toward the Hambledon road. Bear R at the latter then after 150m cross the road into Harts Copse (it is necessary to walk around the RHS of the fencing) and continue along the main path through the woodland. Where there is a wide gap between two sections of woodland continue straight on and at the end of this second stretch go R downhill. This is now a section of the Denmead Millennium Trail on which soon emerge from the wooded area and walk the short distance on a narrow-enclosed footpath to join Wayfarers Walk adjacent to a gate on your LHS.

Flowering bluebells in Harts Copse

### WALK DETAILS:

Distance 6.1km/3.8 miles

Duration 1h 35m

Walk Grade EASY 2/5

Stiles 3

**1.1km/0.7mile** Turn R onto Wayfarers Walk toward the village but keep an eye out on the LHS for a stile. On reaching this point, climb the bank, go over the stile and remain near the fence on the LHS when crossing the field that forms part of Pyles Farm. If spring loaded barriers are in position across the path simply unhook each in turn, go through and replace them. Be warned, it is advisable to take a firm grip on the handles of the springs when doing this.

**2.4km/1.5miles** Turn R just before the fence bordering Kidmore Lane continuing alongside the hedge soon emerging onto the lane through a gate. Bear R on the lane and then pick up a FP on the LHS. If the ground seems very wet continue along the lane before turning L into Tanners Lane, however in drier conditions go over the stile and follow the FP diagonally to the R across the field and finally cross another stile onto the latter east end of Tanners Lane.

Both routes continue to the end of Tanners Lane and here bear L up White Horse Lane. Pass a couple of dwellings including Little Denmead Farm while walking steadily uphill to Sawyers Hill junction.

**3.2km/5.1km** Turn L on reaching the Sawyers Hill junction and then remain on the lane that starts to go downhill at Mayswell crossroad, however it ascends after passing the RH turning further on which is part of Harrowgate Lane.

**4.9km/2.8miles** At the top of the hill on reaching Rookwood Cottage, go L heading back toward Denmead. Take care crossing the busy main road but while walking along the short section further on be aware there is no pavement.

**5.1km/3.2miles** On reaching Uplands Road go R and if returning directly to the community centre, bear L further on down Thompsons Lane then L again into School Lane. Show you wish to slightly extend the route and possibly visit a local hostelry continue along Uplands as far as Upper Crabbick Lane. Here turn L - the Fox & Hounds pub can be found at the end of this road.

## The Denmead Belles WI Get Organised

At our monthly meeting in March we were joined by Marsha from The Secret Organiser who spoke on the topic of Organising and Decluttering.

Marsha introduced herself and went on to cover the psychology behind organising and decluttering, particular problem areas and gave us some helpful tips. The talk was followed by a lively Q&A session.

In the second half of the meeting, representatives from The Rosemary Foundation (our chosen charity for 2025) introduced themselves and the charity; "Hospice at Home" based out of Petersfield. Financial support for the charity is sourced entirely by fund raising events and from legacies. Over £800,000 a year is needed to keep the charity running and we'll be planning various events during the year in order to make a contribution.

On 2nd April, we will be joined by Malcolm Wells MBE, who will tell light-hearted stories of his life and things that could have gone better!

Our ethos is Fun, Friendship, Learning and Laughter.

Ladies are invited to join us for our monthly meeting on the first Wednesday of the month (except for August) at 7:30pm in the Denmead War Memorial Hall. Visitors are welcome to attend for £4 per session fee before deciding if they want to join. Each month we have an interesting speaker or activity, catering for a variety of tastes. Hot drinks and cake are provided for a charity donation and there's a raffle.

We also run a number of sub-groups (including book club, walking group, craft club, supper party and house party) and organise ad-hoc trips based on members interests.

## Hanging Around at the Evening W.I.

At the February meeting of the Evening W.I. Karen Hewitt demonstrated how to make a wall hanging using a CD as a base, recycled cotton fabric soaked in Powertex and embellishments. Once hardened it could be decorated using acrylic paints. The finished result was beautiful and the Craft Group are looking forward to making one at their first session.

Eleven ladies enjoyed a curry at Kassia and the next Meet and Eat will be at the White Hart. The Garden Group also have a visit booked to the Blendworth Garden Centre.

The meeting on April 16th will be a talk by Analiza Jones on “The Making of Handwoven Bags from the Philippines”. Later in the month several members will also be attending the Bere Forest Group meeting at Purbrook.

If you're looking for friendship, fun and to learn new skills, the W.I. would love to meet you. You can attend up to three meetings free before joining. Meetings are held on the third Wednesday of each month at Denmead Memorial Hall at 7.30pm.

### HCC Schools Update

#### *Holiday Activities & Food [HAF] Programme*

Children eligible for benefits-linked free school meals will continue to enjoy free holiday clubs for another year, thanks to a renewed grant of £3.6 million from the Government.

Hampshire County Council's HAF Programme supports around 8,000 children during Easter, summer and Christmas school holidays. 15% of funded places on the programme are also available for other vulnerable children and young people. Parents can register for places at [Family Information and Services Hub: https://fish.hants.gov.uk/kb5/hampshire/directory/advice.page?id=XRITDNF8hhM](https://fish.hants.gov.uk/kb5/hampshire/directory/advice.page?id=XRITDNF8hhM), applications for Easter opened in March.

For more information about HAF and other support available, visit the [connect4communities](https://www.hants.gov.uk/socialcareandhealth/childrenandfamilies/connectforcommunities) web pages - <https://www.hants.gov.uk/socialcareandhealth/childrenandfamilies/connectforcommunities>

#### *Places for children with SEND*

HCC is set to create 166 new places for children with Special Educational Needs and Disabilities (SEND) in 13 schools over the next two school years. The plans form part of the Council's ongoing response to growing demand for specialist educational provision and aim to ensure that children with SEND can access high-quality education within their local community. Among the latest schools/colleges to join the SEND expansion programme is Crookhorn College with provision for 15 pupils with Autism Spectrum Conditions, opening in phases from September 2025.

#### *First Preference Secondary School*

More than 97% of parents in Hampshire (13,903) have been offered a place for their child at one of their three preferences for September 2025. Of those who applied for a Year 7 place by the deadline, 90.8% have been offered a place at their first preference.

The Council received 14,230 on-time applications this year – a decrease of 357 applications compared with September 2024 (14,587). The Admissions Team is busy processing primary school applications with offers due to go out on 16th April 2025.

#### *Devolution and Local Government Reorganisation*

In December 2024, the Government announced a significant reform programme for local government.

The programme includes two main initiatives:

- [Devolution](#)  
Transferring powers and funding from Whitehall to local areas by creating regional Strategic Authorities with an elected Mayor, covering populations of over 1.5 million in all areas of England that don't already have them
- [Local Government Reorganisation](#)  
Ending the two-tier county and district council system by forming new unitary local authorities with populations of at least 500,000.

To find out more, see <https://www.hants.gov.uk/aboutthecouncil/governmentinhampshire/devolution>

#### **Plans for Havant Railway Footbridge Replacement**

Plans to replace a 78-year-old footbridge in Havant have taken a step forward following approval by the Council to progress design work. The current footbridge requires structural support to enable its continued use. The replacement will be twice as wide and feature gentler ramps for better access, including for cyclists, people using wheelchairs, mobility scooters, prams or strollers.

The Council has approved £0.5 million to progress this work and to appoint a specialist contractor to develop the final design and detailed technical plans, before a planning application is submitted and the necessary consents secured from Network Rail.

The Council has committed a total of £8.7 million for the bridge replacement. Havant Borough Council has also committed £2.8 million from its Community Infrastructure Levy Fund. Subject to receiving consents, work could begin at the end of 2026.

Please note, I continue to hold a Councillor Surgery on the first Saturday of every month in The Heath Room, All Saints Church, 10am – 12 noon. No appointment necessary.
