# Summer - at last!

Dear Friends,

Last week it was a great joy and delight to witness the Ordination of Revd. Buffy Langdown as a Priest at Portsmouth Cathedral. It was a wonderful, poignant moment to gather around Buffy (with bishop Jonathan leading, and many other local priests too) and to invite God's Spirit to fall afresh on her – equipping and enabling her for this next stage of her ministry. Here are a few photos

Looking ahead into August it will be fabulous to welcome children aged four to eleven for our Holiday Club. This year the theme is space, and through games, Bible stories, crafts, sport and drama the children will learn about God and the love of Jesus for each one of us. Please can I encourage you to take a prayer diary from the carousel in church, and every day be praying that seeds of faith will be sown, that children will encounter Jesus, and that their trust in Him would grow deeper.

We also commence a new sermon series called RETURN focussing on the minor prophets. All too often we ignore, or skim through the minor prophets, without taking on board their message. So, starting on the 28th of July, and following through August, September and October we plan to look at each prophet in turn, and consider what we might learn today. For more information please see page 6 in this chronicle.

Then finally, but very importantly, after a tightly fought General Election Keir Starmer and the Labour Party are now in power. I realise I am treading on eggshells, for we will all have different political views and opinions, and my

intention is not to align myself one way or another. But as I've said before, politics and religion do mix, for both are concerned with support for the vulnerable, care for those who have least, and issues of justice, fairness, and equity for all. Some will be delighted with this new leadership; others will be angered or disappointed – but for many the overwhelming sense will be: what next?

Well undoubtedly change will come: a new vision, with new policies and procedures will impact the political landscape and the decisions made in the House of Commons. However, change will also be slow, difficult, hard work, with many challenges ahead as our nation works in partnership with other leaders and nations to promote ways of peace and reconciliation. In recent years we have journeyed through some difficult days, at home and abroad, and now, more than ever, we need a government and leadership that will exhibit wisdom, discernment, integrity, and humility.

As Christians, followers of Jesus' pattern and example, we need to be committed to praying for our politicians. Indeed,

Scripture actively encourages us to pray for all those in positions of authority, those with influence and leadership. And so can I urge us all to be praying that the hearts and minds of all politicians – whatever their creed - might be turned and attuned to the values and priorities of Christ's kingdom – so that their intellect and energies might focus on serving the people, promoting the common good, and formulating policies, procedures and practices that enable all to flourish.

We need to recognise that leadership is never easy; but let us pray continually that our politicians, cabinet members, and indeed our new Prime Minister are motivated not by their own personal ambition or self-glory, but by a committed and passionate desire to serve, and to promote all that is good, true, and honourable. We need to pray that each will discover the strength, hope and wisdom that only God can give.

This August, a month in which life slows a little, can I urge you to find some space, each day, to pray for the life of this nation and its leaders, in the hope that together we may embrace a future based on integrity and humility - a future in which God's kingdom of justice, peace, and love might be furthered, both in our nation and in the world at large.

With every blessing,

Emma

### Return: the minor prophets

Often, we forget the minor prophets; we either ignore their words, or we rush through their message in a hurry. Starting on Sunday 28<sup>th</sup> July, and running through August, September and October we're going to focus on the Old Testament Minor Prophets. Over twelve weeks, we'll focus on one prophet each week: their story and context, and their message for us today. Common themes will run throughout these twelve prophets in Israel's history, and a primary theme is restoration. Though the prophets often brought words of judgment and consequence, they also spoke words of hope, peace and ultimate renewal. The minor prophets convey God's heart and longing for his people – that we should return, and discover forgiveness, healing and love.

Below we've listed each minor prophet along with a broad theme. You may want to read in preparation for each Sunday. Each minor prophet is short in length and will only take 5-20 mins to read. We've included the page numbers as found in the Bible we use in church.

28 <sup>th</sup> July	Hosea:	Boundless Love	(pgs.850-860)
4 <sup>th</sup> August	Joel:	Hope and Restoration	(pgs.860-864)

18 <sup>th</sup> August	Amos:	Let Justice Roll	(pgs. 864-873)
25 <sup>th</sup> August	Obadiah:	The Power of Pride	(pgs. 873-874)
1 <sup>st</sup> September	Micah:	Act Justly, Love Mercy, Walk Humbly	(pgs. 876-883)
8 <sup>th</sup> September	Jonah:	Heart of Repentance	(pgs. 874-876)
15 <sup>th</sup> September	Nahum:	Mercy, Justice and Compassion	(pgs. 883-885)
22 <sup>nd</sup> September	Habakkuk:	Before You Give Up	(pgs. 886-888)
29 <sup>th</sup> September	Zephaniah:	Hope Remains	(pgs. 889-892)
6 <sup>th</sup> October – Harvest Celebration			
13 <sup>th</sup> October	Haggai:	Renew the Vision	(pgs. 892-893)
20 <sup>th</sup> October	Zechariah:	Grace and Forgiveness	(pgs. 894-902)

## Goodbye from Denmead in Bloom

After almost twenty-five years Denmead in Bloom has closed. We are all getting older and less able to do the work and although we have tried to recruit new helpers, people just don't seem to want to volunteer.

We began in 1999 when the Parish Council were looking for projects to celebrate the millennium. Brian Kidd (who many of you will remember) gave a talk about Southsea in Bloom and the difference it made to the community and I suggested we do something similar in Denmead. At the time the village centre was a pretty drab place with no flowers at all. We took advice from other 'In Bloom' groups and with the support of DPC dug our first flowerbed on the village green. Portsmouth City Council donated the thirty concrete containers which were placed in front of the shops and we have kept these planted ever since. In 2001 we planted the first willow on Harvest Field and over the years have added to it creating the living willow play area.

DPC have now taken over the care of the three flowerbeds we planted but sadly say they do not have the resources to look after the concrete containers or the living willow. Some of the village centre businesses are now planting the containers themselves and I hope the council will find a way to maintain the willow.

Thank you to everyone who has helped DiB over the years: diggers, planters, weeders, waterers, pruners, willow weavers, sponsors and supporters. It was a great team effort and I hope people will continue what we started and keep Denmead blooming.

Liz Williams

# Do you have any unwanted tools?

We'd be happy to take them...

**Tools with a Mission** are a Christian charity that collects unwanted usable tools, refurbishes them, sorts them into trade tool kits and sends them to the developing world for livelihood creation. In doing so, we also support UK communities through volunteering opportunities and contribute significantly to environmental sustainability by reducing waste and carbon emissions in the UK.

Through our 'local to global' model, we prevent nearly 400 tonnes of tools from crowding UK landfills annually and engage local communities, offering volunteering opportunities that nurture skills and foster social connections. The impact of our work resonates globally, as we supply refurbished tools to over 500 organisations in Sub-Saharan Africa. These tools equip individuals with the skills needed to completely transform their lives and communities.

By refurbishing and recycling, we save over 1,000 tonnes of CO2 emissions annually, demonstrating our commitment to environmental sustainability. Our toolkits serve as catalysts for change, from supporting families and education to strengthening communities. Our local efforts have a global impact, helping to create a world where everyone has the chance to thrive.

### Here are some of the tools we can use:

- Agricultural tools, Builders' tools, Carpenters' tools, Electricians' tools
- Motor mechanics' tools, Plumbers' tools, Garage workshop tools,
- Power tools, Sewing machines, Knitting machines, Haberdashery
- Fully working IT equipment
- Bibles, in modern English

## DUG Team receive Mayor's Community Award

A group of local volunteer gardeners who look after grounds at Denmead Community Centre have been presented with a Community Award by the Mayor of Winchester at a special ceremony in the Guildhall.

Denmead Unsung Gardeners (DUG) were formed in 2011 when new local residents, Judith and Martin Lewis, visited the community centre to offer their services as gardeners. They were then joined by David Whiteman and the trio initially spent a couple of hours each week tidying up some of the overgrown areas while Judith specifically attempted to tame the long front border in front of the main building.

Using their own tools and equipment they laboured on for several years even resorting at times to using hand shears to trim the hedges along School Lane and Hambledon Road. However, over time, gardening equipment was purchased by the Centre which made life easier for the diligent trio.

David subsequently moved from the village but over the next couple of years the team steadily increased in size and now has six regular members. Also, thanks to grants further gardening equipment was obtained, meaning the team is now able to maintain the majority of the grounds including cutting the grass on both the main lawn and large field at the rear of the premises. They also assist in setting up and helping to run various events held at DCC including Proms in the Park and the Beer Festival.

Furthermore, the group donated its services to the Auction of Promises held last year in aid of Rowans and it was through this venture that Councillor Mike Read got to know the DUG team who spent a morning working on his garden. Mike subsequently nominated the team for the community award they have recently received.

In the photograph taken at the awards ceremony is Cllr Angela Clear, Mayor of Winchester, alongside DUG Team members Philip Wade, Alan Boss, Martin Lewis, Nigel Hibberd, Stephen Harris and Judith Lewis.

## Evening W.I. Goes Dotty!

The June meeting of the Evening W.I. saw a Dotted Workshop run by Ros Hughes of Ros Goes Dotty. Using acrylic paint and a variety of tools, members practised on paper before decorating plaster pebbles with everyone very pleased with the results.

August sees a social evening where ladies will again be playing New Age Kurling in the Memorial Hall followed by an American supper. There is also an outing to Southwick House to see the Map Room followed by afternoon tea at Southwick Park Golf Club. The group will also be having a stall at the Horticultural Show with books, jigsaw puzzles and bric-a-brac to purchase as well as a hundred square raffle with a special prize. So, pop along for a chat and to meet some of the members. The Meet and Eat this month is at Barnards and the Garden Group will be visiting another member's garden.

Any ladies who would like to see what the W.I. is all about would receive a warm welcome. Visitors can attend up to three meetings free of charge prior to joining. They are held on the third Wednesday at 7.30pm at Denmead Memorial Hall.

## A Curfew for the Afternoon W.I.

At the July meeting, over a cream tea, President Pam Pilbeam gave an amusing account of life with her mother from birth to marriage, including having to be indoors by 10pm on the eve of her wedding! That night Pam and her fiancé were saying goodnight in the alleyway adjoining her house and her mother came out and, with the neighbour's curtain twitching, insisted that she come in as it was 10pm and Pam was still living under her roof until the next day!

The competition 'My Favourite Meal and Why I Like It' was won jointly by Joan Elliott and Joan Downing. Joan Elliott also won the Flower Competition with Rosemary Simpson second.

In the Group Round of the County Quiz the Denmead Afternoon team, consisting of about a third of the membership, came a credible 6th out of the 8 teams.

The group continues to meet for lunch at Barnards on the Tuesday following the monthly meeting providing an opportunity to meet and chat informally whilst enjoying a delicious meal.

There is no meeting in August, the next will

be on Wednesday 4th September when the Afternooners will once again welcome John Richards when he will talk about "The Life of Winston Churchill as Seen Through Letters to His Mother and Wife". The competition for September is for a small vase of wild flowers.

Ladies are invited to meetings held on the first Wednesday of the month from 2 - 4pm in the Heath Room at All Saints Church which is central to the village with easy car-parking. Visitors are most welcome especially if a particular subject is of interest.

It is an informal group so if you're new to the village or recently retired and would like to make new friends the W.I. would welcome you. Talks cover a variety of subjects – some serious and others amusing – so all tastes are catered for and, of course, meetings include tea, a chat and home-made cake from Lily and Lime.

If you're unable to attend an afternoon meeting the Evening Institute would welcome you to their meetings at 7.30pm on the third Wednesday.

# Denmead Walks

This walk starts at Denmead Community Centre and initially runs the length of School Lane then onto Great Ervills House on the Fareham Road. It then crosses a series of stiles before accessing Bent Lane. The Alan King Way footpath then leads the way south before this route continues toward World's End. A section then follows on metalled surfaces so generally this is an all-weather route.

**WALK DETAILS:**  
Length 6km/  
3.75miles  
Time 1h 30m  
Stiles 8  
Walk Grade 3/5

Leaving the Denmead Community Centre CP turn R and walk the full length of School Lane passing the Fox and Hounds pub at the top of the hill. Continue straight on as far as the junction with Broad Lane continuing along the latter to the bottom of the hill opposite the entrance to Great Ervills House. Traffic can move quickly along this stretch so take great care.

**1.45km/0.9mile** Turn R at the bottom of the hill but walk along the left-hand side of the road for 100m/109yards before picking up the footpath (FP) on the LH side. Go over the first of six stiles on this section, cross a wooden bridge then head for the second stile directly ahead. The third stile is more to the R on the far side of the next field while the remaining stiles can be clearly seen as you cross each paddock. Be aware there may be horses grazing in one or more of the paddocks.

**2km/1.25miles** After crossing the sixth stile drop into Bent Lane and turn L. Walk exactly 0.9km/0.6mile then turn L onto a FP that runs through woodland. After 380m/414yards at a crossways of paths continue straight ahead. In 80m/87yards bear slightly R crossing a ditch and stile before turning R along the Alan King Way FP enclosed by fencing for its entire length.

**3.2km/2miles** At the end of the straight path with a stile to the R, turn L and continue as far as the last stile of the walk. Pass a large metal barn on the RHS and slightly further on is the elegant redbrick Meadow Farmhouse.

**3.6km/2.25miles** Go L on reaching the main road and walk back toward Denmead passing through the hamlet of World's End. Take particular care negotiating the double bend at the far end of the straight road before eventually passing the gates of Willow Fisheries on the RHS.

**4.4km/2.75miles** Turn R up Dirty Lane then after 600m/654yards branch R into School Lane. Pass the Fox & Hounds pub on reaching the top of the hill where Upper and Lower Crabbick Lane form a crossroad with School Lane. Continue in the same direction to the community centre at the east end of School Lane.

### Reports on Skills Bootcamp, Tackling Abuse & Unpaid Carers

#### Skills Bootcamp Training

Hampshire's Skills Bootcamp training is to run for a further year, thanks to an award of £3.8 million from the Department for Education (DfE). This free, fast-track training programme is offered to residents and employers, enabling those in work and job seekers to gain training and secure higher paid roles, with employers benefitting from upskilled employees. This will enable training to be offered to at least 1,000 learners and include coding, construction, engineering, project management, early years education, health and social care, and hospitality and tourism.

The courses are flexible with learning planned to fit around professional and family commitments allowing people in different circumstances to gain skills. For most courses, no previous knowledge is needed. Courses can be classroom-based, on-the-job or online and unemployed participants are guaranteed a job interview at the end.

More information is available online at [hants.gov.uk/business/skillsbootcamp](https://hants.gov.uk/business/skillsbootcamp) - including how to find a course and apply. For those needing help deciding on suitable courses, an online National Careers Service Skills Assessment - <https://nationalcareers.service.gov.uk/skills-assessment> - is available to establish an individual's existing skills and match them to potential careers.

#### Vote to Tackle Abuse and Intimidation

At Hampshire County Council's AGM in May, Councillors voted unanimously for the campaign to challenge the normalisation of abusive and aggressive behaviour against Councillors, officers and contractors delivering public services.

With 7 in 10 councillors nationally experiencing abuse or intimidation in the last year according to the LGA's 2022 Councillor census, the body has been working to build a better understanding of the issue and what individuals, local organisations and national government can do to reverse it. The Local Authority has also committed to work closely with the Hampshire and Isle of Wight Police and Crime Commissioner to ensure there is a clear and joined-up mechanism for reporting concerns about the safety of councillors and their families.

#### Young People Vote Climate Change and Environment as Top Concern

More than 25,000 young people across Hampshire have taken part in Make Your Mark, the UK's biggest youth consultation, to choose campaign priorities for young politicians to focus on in the coming two years.

Participants, aged 11 - 18, were asked what issue affects them most from a shortlist of 10. Young people voted Climate Change and the

Environment as their top issue, as it has been in the Hampshire ballot since 2019. The issue of health and wellbeing was voted second while it was the most important topic for young people across the UK. The consultation also showed crime and safety as a major concern in Hampshire and across the country.

Over half a million young people took part in the consultation nationally with Hampshire receiving the second most votes. Hampshire Youth Parliament is continuing its climate campaign by running its third Hampshire Climate Conference in September in partnership with Winchester College and the [Final Straw Foundation](#). It will bring together pupils from across Hampshire to hear from keynote speakers and learn about environmental issues in a variety of interactive climate-based workshops.

### **£8.3 million Investment at three Schools**

Pupils at Crookhorn College, Hart Plain Infants and Henry Beaufort in Winchester, are set to benefit from a multi-million-pound refurbishment. School buildings, which were built in the 1960s, will receive upgrades including double glazing, increased insulation and new roofing helping to reduce energy bills and carbon emissions. The funding comes from a DfE grant. The projects are as follows:

Crookhorn College at an estimated cost of £3.45 million

Henry Beaufort at an estimated cost of £3.48 million

Hart Plain Infants, at an estimated cost of £1.4 million

Work is planned to start in the summer of 2024.

### **Hampshire's Unpaid Carers**

A new countywide carers support service starting in September is set to offer help to carers over 18 looking after someone with a long-term health condition including dementia and those looking after a person with a physical or learning disability.

The new service will provide a range of assistance comprising information and advice, direct one-to-one support where carers' needs are more complex, and contingency and emergency planning, helping carers to prepare plans in the event of an emergency and being unable to look after their loved one.

The 2021 Census identified 111,739 unpaid carers in Hampshire, although according to the Office for National Statistics the numbers are likely to be much higher than the Census figures indicate. Further information about the support available is on Connect to Support Hampshire, the online resource for adults in Hampshire to support independent living, see <https://www.connecttosupporthampshire.org.uk/carersupport>
