Autumn is the time of year when the abundance of green leaves transforms through the mosaic of reds, oranges and browns that demonstrates death is something which is hard wired into creation. This season shows us a glimpse of the unceasing cycle of birth, life, death and rebirth which governs the natural world, and it is therefore unsurprising that it is during this season that we remember. Memories, and remembering, are such central parts of our personalities and character, and in many ways make up part of who we are.

November seems to be the month for remembering. We share in a service of All Souls at the beginning of the month, a chance to remember with thankfulness those whom we have loved but see no more.

And, of course, there is also our national act of Remembrance, on Remembrance Sunday 10th November. That remembrance is even more poignant today as the reality of war and its human cost is once again apparent and sadly dominates our news. To mark and commemorate this significant day we will be having a short Remembrance service with communion at 8.30 am at All Saints, before joining with villagers, local councillors, uniformed groups and local schools for a Village Act of Remembrance.

We will remember with grateful hearts those who gave their everything for our today and future. Please gather at 10.45am at the village green for this important event.

'At the going down of the sun and in the morning, we will remember them.' (Laurence Binyon)

There is no single thing in our created world which lasts forever; this is true both of all individual human beings, and also of our human endeavours.

None of the first Christian congregations established by St Paul and the Apostles still exists today, yet those communities were the initial sparks which set the world on fire with the Gospel of Christ. All earthly things are transitory and fleeting, and so we must focus on the good that they can bring about during their limited lifespan. This is true of every human being and every relationship.

**we must
focus on
the good
that they
can bring
about**

But if all human beings and all human endeavours are temporary, so too is human suffering. As Christians we believe that suffering never has the final world; that isn't to minimise the great pain of suffering, but it is to emphasise the even greater power of God who promises that a time is coming when he will "Wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away" Revelation 21:4

For Christians, the most significant act of remembering is when we come together to remember in bread and wine the death and resurrection of Jesus. Jesus' willing sacrifice of himself on the cross for the sake of others is, for Christian believers, the ultimate expression of the self-giving love at the heart of God, when Christ's hands were marked by the nails of the cross.

"Do this in remembrance of me."

Just as through the death of Jesus Christ on the cross, we know that the power of death has been defeated. We can trust in a God who has defeated death, and who has opened the gates to eternal life for all who trust in him, that God's faithfulness endures forever.

So, in this season of Remembrance, as we remember with candles, poppies, or bread and wine, may we all take time to pause, reflect, and be thankful.

With every blessing,
Buffy
Revd. Buffy Langdown - Curate

Art Exhibition

It was a wonderful weekend, and we had very positive feedback from visitors and artists alike, complimenting us on the fabulous art work display and on the organisation of the event itself. We couldn't host such an event without all the great team of volunteers, and it was lovely to have so many people giving up their time to support it.

It looks like we had a record number of visitors come to this year's exhibition and everyone played their part in welcoming people and guiding them round the exhibition. We sold around 60 paintings and raised over £1600 to be used in support of the church's work in the community. The exhibition has become a traditional fixture in the church calendar; a very popular event.

Next year we will be celebrating our 50th exhibition so look out for details on how you can be involved. Thank you to everyone who contributed to this year's success.

Happy Birthday, Evening W.I!

The September meeting was the Evening W.I.'s 59th Birthday and guests attended from other institutes in the Bere Forest Group to celebrate. Entertainment was provided by the Solent City Chorus who sing in four-part harmony. It was their third visit to the group and they didn't disappoint. They began with Jerusalem (of course!) before singing songs by Elvis, Joan Baez, a Māori folk song and others. Afterwards everyone enjoyed a glass of fizz and some birthday cake, a very enjoyable evening.

The Garden Group had an informative visit to Ben Cross' alstroemeria nursery at Walberton near Arundel. His great grandparents set up the nursery through the government's Land Settlement Association scheme in 1934. Ben is a great advocate for buying locally grown flowers as 90% of cut flowers bought in supermarkets come from abroad and have a large carbon footprint. Following the horticultural theme, at the meeting on November 20th will be a demonstration from Flowers by Sharon, a local flower arranger. Also, the Winter Fair will be held on Saturday November 16th at 10am in Denmead Church Hall.

The W.I. is the largest voluntary women's organisation in the UK. It offers opportunities from learning new skills, joining campaigns, catching up with or making new friends. Ladies wishing to learn more would receive a warm welcome. The group meets in Denmead Memorial Hall at 7.30pm on the third Wednesday of each month.

Rethink...

At Christmas, from a glowing hearth,
I chose a gift of real worth.
No vivid tie or tealcloth this,
No asking for ideas for further
Furnishing already comfy bliss.

But to give to someone I'll never meet
A real present lastingly sweet.
Going right back to that stable bare,
To His Birth in the straw
In the sharp night air.

And so to the mud and the dust of India,
Grinding poverty, spirit breaking,
The dirty water, not for washing;
But to drink; unsafely, daily.
Here in Tamil Nadu, in a soft mud hut
the young Susila lives,
(we could well say, "exists").

What a privilege To be giving
modern frankincense and gold
Flung far across these total gaps
Of language, faith, and living!

So the gift is born, to transform
An unknown life, to start at Christmas.
This could mean for her a schooling,
And ten or twenty extra years of LIVING!
(How highly would we value these
In Upper-Welfare-Upon-Tees?)

Oh Jesus! Very plainly
Shows your hand in this,
Confirming love of giving,
Gifting in love to assist.

Under our modern Christmas rush,
Full of glittering baubles and plush;
I found it ever so easy to sink.
What took me so long to rethink?

DVA increases Cyber Awareness

The Chair opened the Village Association meeting by reminding members of the importance of the Neighbourhood Plan, which is being updated, and that the role of DVA is to ensure that views are known to the planning authority.

He continued by updating members on news including the launch of a newsletter; the re-launch of the Fitness Trail at the end of August and the first meeting of the Drama Group, which was well supported. At the next meeting, the AGM, will be a speaker from the Mary Rose Trust and, if sufficient interest, a visit will be arranged next year. The Chair reminded members of the opportunity to nominate officers or committee members to be voted in at the AGM, these should be forwarded to the Secretary. DVA has also introduced a village diary and the Greening group has conducted a Bat Walk, which 50 people attended.

The speaker at October's meeting, Claire Wills, is a Cyber Champion, introduced in 2020 to advise on crimes committed electronically. In 2021 losses through cybercrime totalled £2.25bn. She advised on Cyber Awareness – for instance when phone calls don't 'feel right' and recommended ending the call. Never give personal details to an unknown caller as a scammer can use these to build a picture. One extremely important item was strong passwords (not containing personal information!) and for emails, google and bank accounts to create a passphrase of three random words. She confirmed that fingerprint technology is secure. Claire recommended that we use Password Browser or Browser Password Store, backup data regularly and update software as soon as possible. Social media information should be shared with as few people as possible. All fraud and cybercrime should be reported to Action Fraud.

Never give personal details to an unknown caller...

The AGM will be held on 15th November. Meetings are at 7.30pm in the Church Hall and take place on alternate months. Annual membership is £8.

Afternoon W.I. enjoys Portrait of the Architect as a Young Man

In October the Afternoon W.I. was pleased to welcome Julian Le Good to talk about his early experiences in a "Portrait of the Architect as a Young Man". Julian started his seven years of training in 1977 in Scotland where he was in a minority as both an Englishman and a male student. Julian eventually moved to Hampshire, working mainly in the west of the county and with the NHS "serving us from cradle to grave", Julian ended up working on all types of building from maternity units to mortuaries.

The monthly competition – for a picture of a favourite building was won by Joan Downing with Rosemary Simpson second. The flower competition was won by Joan Elliott with Rosemary Simpson second.

November is the group's Birthday Meeting when they will be joined by visitors from the other institutes in the group and will celebrate with a return visit by Rob Driscoll with a presentation entitled "It's

Magic"! The monthly competition will be for a Favourite Birthday Card.

All ladies are invited to meetings held on the first Wednesday of the month from 2 - 4pm in the Heath Room at All Saints Church which is central to the village with easy car parking. Visitors are most welcome especially if a particular subject is of interest. It's an informal group so if you're new to the village or recently retired and would like to make new friends the W.I. welcomes you. Talks cover a variety of subjects – some serious and others amusing – so all tastes are catered for as well as tea and delicious home-made cake from Lily and Lime, a cafe above Portsmouth Central Library run by the Medstead Trust which trains and finds employment for people with cerebral damage.

If you're unable to attend an afternoon meeting the Evening Institute would welcome you to their meetings at 7.30pm on the third Wednesday.

Denmead Walks

This walk can start either at Denmead Community Centre or Kidmore Lane CP in the centre of the village. The outward route is along Wayfarers toward Hambledon, over Speltham Down then up the other side of the valley before heading back in an anticlockwise direction passing through two local farms. Stunning views will be enjoyed from several high points above Hambledon.

WALK DETAILS:

Length 10km/6.25 miles

Time 2h 30m

Stiles 4 (2 from K Lane)

WALK GRADE 3/5

Leave Denmead Community Centre car park (CP) by the rear gate and turn L going uphill on the Hambledon road. At Lincoln Green nursery cross the road and head along the footpath. On reaching woodland either take the path on the L by going over a stile, or, if underfoot conditions are poor, take the parallel route through the woods – each path joins Wayfarers Walk in 300m.

From Kidmore Lane CP go R then after 150m bear L into Cemetery Lane. Turn R just before the end of the lane and follow the WW signs first on a dog-leg then along the side of a field. The two starting routes meet at the first metal gate. If taking this route go straight on after passing through gate.

1km/0.6mile Turn L and walk along the side of the field eventually going through a second gate.

1.5km/0.9mile Go L after passing through the gate then R into Harrowgate Lane. After a further 80m bear L passing through another gate and head diagonally across the field on a well-marked FP. Go through a gap in the hedge on the far side, turn L then stay on the path until the lane connecting Rookwood and Rushmere is reached.

2.3km/1.4miles Turn R here and walk exactly 100m

Speltham Down

before turning L following the green WW path signs. Go R about 50m ahead at the telegraph pole and head along the first of two fields keeping to the RHS. At the end of the second field the path goes L, then R before passing a mounted blue painted metal press which is on the LHS.

3.2km/2miles At Bury Lodge Lane go L, then after about 25m turn R picking up a FP which runs along the RHS of a field. This leads to a narrow copse and on leaving the latter there is a junction of paths; here turn R and walk along the path which has a hedge on the LHS continuing downhill as far as a gate that leads onto Speltham Down.

3.6km/2.25miles This is the first of several gates on the Down; the path continues downhill, but maybe pause for a moment or have a short rest on the bench situated on the side of the FP enjoying the first of several stunning views over the village. At the bottom of the hill pass through another gate then fork L on the path through a third gate. Head across the meadow eventually coming to the penultimate gate in this section of the walk – often the adjacent five-bar gate is open. At this point go R passing through the final gate and exiting the Down. A series of steps lead into a lane that comes out onto the Hambledon road opposite Weaverfield House.

4.1km/2.6miles Cross the road then turn R. Walk almost as far as the point where the road bears L; here pick up the FP on the L. Continue uphill for some distance eventually turning R through a gate made from a recycled pallet. Again, enjoy the panoramic view over the village, this time from the other side of the valley. Walk the short distance to a wide gap on the LHS at the top of the field and go L almost back on yourself. Follow the wide track which has Boarhuts Copse on the L as far as a second pallet gate giving access to Cams Hill Lane.

5km/3.1miles Go R onto the lane immediately passing the murder stone and walk about 300m before turning L onto the Alan King Way FP opposite Headstone Stud Farm. The path borders a garden, then goes across a wide

Hambledon from west hill above village

cultivated field as it heads for Hole Farm – aim for the LH end of the fence on the far side of the field. Take the permissive path to the R around the property by passing through a series of gates, cross the access road to the farm, pass through another gate then bear L downhill. Pass through another gate into Hole Lane then head uphill keeping the garden of Hole Farm on your LHS.

6.4km/4miles Pass through a final gate into woodland at the top of the rise, go through a short S bend then bear L through the narrow strip of wood before passing through another gate. Walk obliquely to the R across a narrow field before going through the final gate in this section of the walk. Keeping the wood, Shepherd's Croft, on your RHS make around its perimeter and where it bends to the R follow the line of the trees finally entering the wood itself then a short path leads to Menslands Lane.

6.87km/4.3miles Turn L and continue along the lane eventually passing Glebelands Farm after just over 400m. About 30m further on bear R following a well-marked FP through Madam's Copse. At the end of this woodland path exit the latter through the first of a series of gates. Enjoy the view toward Bury Lodge to the L when heading downhill before going through several gates soon reaching Fareham Road that connects Hambledon with World's End. Note that it is maybe necessary to unhook a fence just before the second gate – make sure the hooks are repositioned!

Take care crossing the last stile as the drop is straight onto the roadway. Cross the lane and pass through the first of three further gates; the first gives access to a field in which horses are kept, while the final two are either side of a shallow ditch – be warned that after heavy rain this area acts as a flood plain and can be impassable. After the last gate of the walk the path starts to rise and heads toward a metal gate alongside the B2150.

8.1km/5.1miles Do not go through the gate adjacent to the road but turn R toward the woodland. After going uphill through the narrow copse follow the yellow FP sign across the field eventually passing through the gap in the hedge on the far side. Straight after passing through the gap turn L and stay on the path with hedging on the LHS. Just before the ground starts to rise in front continue on the distinct FP diagonally across the field to the R, cross a short bridge and head up a narrow FP that leads to Uplands Road.

9.1km/5.7miles On reaching this road go L, then immediately R down Thompson's Lane. At the bottom of the hill turn L into School Lane and continue to the end of this road where the community centre is on the LHS. For those who started at Kidmore Lane turn R at the end of School Lane and walk toward the village centre – the distance to Kidmore Lane is about 800m.

Hampshire County Council

Help with Cost of Living

The ongoing struggle with the cost of living poses a significant challenge for many Hampshire residents having to make difficult choices regarding household finances. Help is available from a number of services. This ranges from warm spaces in libraries to hot school meals and expert advice on reducing heating bills. <https://www.hants.gov.uk/community/costofliving>

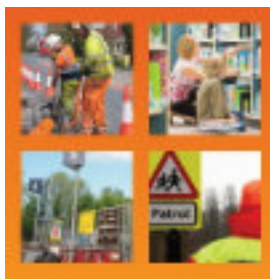

Check Flood Risk ahead of Winter Rainfall

Around 400,000 households in Hampshire are at risk of flooding and with increased rainfall due to climate change, HCC has created a new online tool to help people check their flood risk. <https://documents.hants.gov.uk/flood-water-management/managing-risk/hcc-community-toolkit.pdf>

Future Services

The future of services like Household Waste Recycling Centres, school crossing patrols, road maintenance, homelessness support, street lighting and library stock will soon be decided as the Council's Select Committees and Cabinet prepare to consider savings across 13 service areas.

A situation faced by many other councils, it's now harder to keep delivering the same level of services as before. Costs keep rising as does demand for vital social care for vulnerable children, older people and adults with complex care needs and disabilities so there is less money to go around. As a result, the Council must find ways to close an annual £175m budget gap predicted from April 2025 onwards. <https://www.hants.gov.uk/News/20240410FutureServices>

Hampshire expands number of school places for children with SEND

More children with Special Educational Needs and Disabilities are set to benefit from local specialist school places as the Council increases the provision at two schools and a nursery. Most of the 31 new places at Heathfield Special School, Pennington Church of England Junior School and Haven Nursery School will be available immediately.

- A history of substance abuse

You must also meet at least one of the following:

- You struggle to cook for yourself
- You have just come out of hospital
- You have a carer or relative who needs a break from cooking
- You are feeling unwell, either physically or mentally
- You have difficulty shopping for food

Highways Update

Following the allocation of additional funding dedicated to making Hampshire's roads stronger, i.e. an extra £22.5 million over two years to 31st March 2025 to boost road repairs, the Council has repaired almost 181,000 potholes and road defects, representing a 37% increase compared with the previous 12 months (April 2023 - April 2024). In the period covered, high numbers of road defects continue to be fixed, alongside the completion of larger resurfacing and planned maintenance. Please report road issues either online at www.hants.gov.uk/transport/highways or using the OurHants app.
